

HOW WILL THE END COME ACCORDING TO THE BIBLE

What Jesus said will happen at the end of this age when he returns:
Therefore as the tares are gathered and burned in the fire, so it will be at the end of this age. The Son of Man will send out His angels, and they will gather out of His kingdom all things that offend, and those who practice lawlessness, and will cast them into the furnace of fire. There will be weeping and gnashing of teeth. Then the righteous will shine forth as the sun in the kingdom of their Father.
 (Matt 13:38-42)

**He who has ears to hear, let him hear!
 IT'S TIME TO WAKE UP!**

**Why burn with the devil,
 when you can come alive with Jesus Christ!**

 They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. ISAIAH 40:28-31

Jesus came to save you from the final destruction of this evil world.
 For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. (John 3:16)
 By default you are born into the kingdom of darkness (Satan's world system) and he is deceiving you right now - do you want to escape? Then Jesus is the way. Ask Jesus to forgive your rebellion against him and ask him to remove sin from your life and give you his Holy Spirit...
Then Peter said to them, "Repent, and let every one of you be baptised in the name of Jesus Christ for the remission of sins; and you shall receive the gift of the Holy Spirit. For the promise is to you and to your children, and to all who are afar off, as many as the Lord our God will call." (Acts 2:38-39)
 If you have read this message so far then Jesus is calling you to himself, just like gravity he is drawing you towards himself, so that you can know he is good. Don't resist his goodness towards you, but turn away from evil and selfishness and ask him to save YOU from the judgement to come!
 Find a disciple of Jesus and ask them to show you more and what you need to do next, or simply call out to him and experience his great power and love for you! He hears every prayer from the heart.
"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." (Romans 6:23)

**Of old You laid the foundation of the earth,
 And the heavens are the work of Your hands.
 They will perish, but You will endure;
 Yes, they will all grow old like a garment;
 Like a cloak You will change them,
 And they will be changed.** (Psalm 102)

The main reason all this is happening is simply this - greed. The Bible predicted that we would be in this situation more than 3000 years ago!

WHY IS THIS HAPPENING?

**YOUR WORLD IS ABOUT TO CHANGE

1. Living Planet Index shows vertebrate populations are set to decline by 67% on 1970 levels due to humanity's impact. The analysis, the most comprehensive to date, indicates that animal populations plummeted by 58% between 1970 and 2012, with losses on track to reach 67% by 2020. Researchers from WWF and the Zoological Society of London compiled the report from scientific data and found that the destruction of wild habitats, hunting and pollution were to blame.
2. According to an ongoing temperature analysis conducted by scientists at NASA's Goddard Institute for Space Studies (GISS), the average global temperature on Earth has increased by about 0.8° Celsius (1.4° Fahrenheit) since 1880. Two-thirds of the warming has occurred since 1975, at a rate of roughly 0.15-0.20°C per decade. Even the most conservative forecasts expect the Earth to warm more than twice as much in this century than it did during the 20th century.
3. Global sea level has been rising over the past century, and the rate has increased in recent decades!
 The two major causes of global sea level rise are thermal expansion caused by warming of the ocean (since water expands as it warms) and increased melting of land-based ice, such as glaciers and ice sheets.
4. Violence causes more than 1.6 million deaths worldwide every year. Since 1970 that's approximately the size of the UK gone!
 Violence is one of the leading causes of death in all parts of the world for persons ages 15 to 44. The 20th century was one of the most violent periods in human history. An estimated 191 million people lost their lives directly or indirectly as a result of conflict, and well over half of them were civilians. Terrorism is on the rise, with an almost fivefold increase in fatalities since 9/11, in spite of US-led efforts to combat it in the Middle East and elsewhere around the world.
5. Global population is now close to 8 billion people and this has increased demand for food, water and resources causing a huge increase in pollution resulting in disease and famine among the poorest people.
